Club Room

Adjacent to the vineyard, the Barn & Pavilion epitomize Virginia wine country elegance. French doors lead you to spacious slate terraces with sweeping views of the vineyard, lake, and lush countryside with mature trees—the perfect backdrop for a ceremony or cocktails.

The Barn’s Quarter Hall is reminiscent of a regal, traditional stable with hardwood floors and exposed beams. Hardwood floors continue through the Club Room which also features tall ceilings, wine barrel chandeliers and expansive windows. The Barn is furnished with two conference rooms, catering kitchen, as well as a spacious dressing suite awash in creams, a comfortable sitting area, full length triple faced wall mirror, private marble restroom, vanity, and sound system.

The Pavilion features a formal ballroom with expansive ceilings, 360 degree transom windows, and a custom built mahogany and granite bar. Complete with a beautiful crystal chandelier and sconces, a portable dance floor, prep kitchen, and marble restrooms, the Pavilion has everything you need for an exemplary event.
