## Sparkling Reserve

Limited Availability

SRP \$79.99

This elegant sparkling wine made from 100% chardonnay has a creamy mousse that is perfectly round and balanced on the palate. It is both vibrant and complex with fresh acidity, minerality, and aromas of citrus, green apple, and pear. Aging this vintage sparkling for over 5 years on its yeast enriches this wine and creates a full-bodied sparkling with notes of toasted nuts and freshly baked pastries.
