Tasting Notes:

Our Blanc de Noir, meaning "white from black", is a beautiful representation of how this grape can be transformed to create a world class sparkling wine. Flavors of apple, pear, and candied lemon peel dominate the nose. Nicely balanced with nutty and complex bread dough aromas.

Terroir

This wine is made from 100% estate-grown fruit. Our vines are sheltered in the foothills of Carter's Mountain in the Monticello American Viticultural Area (AVA).

Winemaking:

Made via Méthode Champenoise, the grapes are picked at night and gently pressed to create a white juice base for this sparkling wine. After aging in 67% stainless steel and 33% neutral French oak, the wine gains complexity by aging on the lees in the bottle for 36 months. At disgorging, a reserve dosage is added to balance acidity and improve mouth-feel.
