### Tasting Notes:

True to its variety, this wine has delicate floral tones and rich fruit aromas, including peach, honeysuckle, and tropical fruits, capturing the essence of its distinguished variety. Barrel aging imparts this wine with a complex, elegant palate, enriching its natural flavors with subtle notes of vanilla and toast. This process enhances the wine's round texture, offering a refined and memorable tasting experience.

### Terroir

This wine is made from 100% estate-grown fruit. Our vines are sheltered in the foothills of Carter's Mountain in the Monticello American Viticultural Area (AVA).

### Winemaking:

Our Viognier was meticulously hand-harvested and gently pressed, ensuring the purity of the juice, which was then cold-settled to enhance clarity. It underwent fermentation at low temperatures in stainless steel tanks to preserve its delicate aromatics. As fermentation neared completion, a third of the wine was transferred to one and two-year-old French oak barrels, introducing subtle complexities. After nine months of aging on lees, we've crafted an aromatic, full-bodied wine.
