

Trump Winery

CHARLOTTESVILLE, VIRGINIA

Cru Fortified Chardonnay

SRP \$33.99

Unique to Trump Winery, Cru is created by blending Chardonnay juice with grape brandy in lieu of a traditional fermentation. This fortified wine is then aged for over a year in American bourbon barrels. The result is an aperitif wine with 14% residual sugar that is truly all-American. This aperitif has deep, fresh aromas, with flavors of pear, citrus, bourbon, and toasted almonds.
