

## Trump Winery's pet policy

Per the laws of the Virginia Department of Agriculture and Consumer Services, dogs must remain outside and on a leash or in a carrier and under control of an adult at all times. Dogs are not allowed on chairs, seats, benches, or tables. You must clean up after your pet and place in designated area.

Planning a trip to Charlottesville with your pet? Stay with us at [Albemarle Estate at Trump Winery](#), our luxurious boutique hotel. Our signature Trump Pets® program welcomes your travel companion with pet-specific amenities, such as sumptuous treats, plush dog bed, and food and water bowls for a memorable stay. [Book now!](#)

To ensure a great experience for all guests, with and without dogs, we appreciate your cooperation with this policy.

We hope to see you and your dog at the winery soon!
